The Geneva EMBA

The Geneva EMBA, embedded in the Geneva business community, aims to develop responsible managers equipped to handle the complexities of today's business world.

Responsible Leadership

Companies and EMBA students will harness their intelligence, experience and values to explore what does it mean to be a responsible leader today. In a world so turbulent and marked by polycrisis.

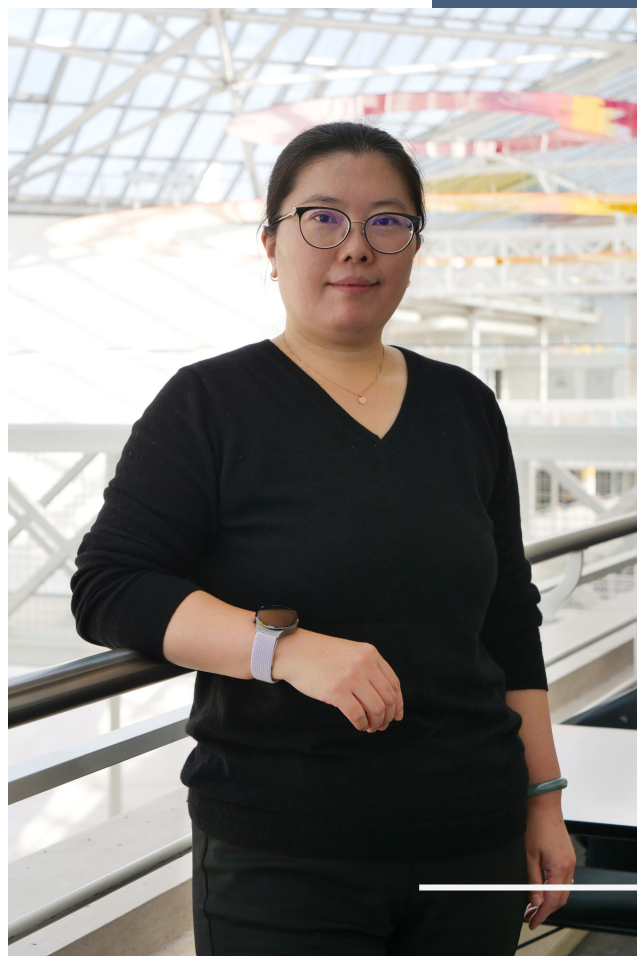

How does one lead sustainably or ethically?
What are the fundamentals of leadership that help us balance and thrive, as individuals and as companies?

Participants

About 30 companies and 50 EMBA students

Moderators

Marc Benninger, Chief Editor, HR Today
10 alumni from the Geneva EMBA

Place

The event will take place in The Hive Innovation Lab, a beautiful venue and inspiring meeting place designed by HIAG.
