This year on 27th of March 2025

From 5.30 to 10.00 PM

The Geneva EMBA

The Geneva EMBA, embedded in the Geneva business community, aims to develop responsible managers equipped to handle the complexities of today's world.

Self-Leadership vs Servant Leadership

Company representatives and EMBA students will harness their intelligence, experience and values to explore what servant leadership and self-leadership mean and discuss how leadership styles can drive sustainable success, cultivate values-driven cultures, and navigate ethical challenges.

The participants will discuss the impact on employee engagement, the role of diverse cultural and the generational perspectives in leadership

Participants

About 50 EMBA students and 30 companies representing Geneva economic environment This is an opportunity for companies to meet and exchange with EMBA student representing the future talented leaders

Concept

Round table discussion with students and company representatives moderated by EMBA alumni.

Place

The event will take place in The Hive Innovation Lab, a beautiful venue and inspiring meeting place designed by HIAG.
